Interesting that the email went from me to Ann and Rebecca at 4:43pm on Nov 3 but PCA sent it to polymet on Nov 3. Very efficient.

Kevin/Ann,

Please find attached, a letter from PolyMet regarding EPA's comment on PolyMet's NPDES Permit application. A hard copy will be sent in the mail as well.

As the letter indicates, PolyMet would like to work through the topics raised by EPA and I will be contacting you both in the future to set up some meeting times.

Kind regards, Brad Moore
